Penetration Indices (TTM)

Index	Value	Reading
-------	-------	---------

RGI (Revenue Generation)	1.05	Subject earns 105% of comp-set RevPAR — modest revenue overperformance.
ARI (Average Rate)	1.08	Subject's ADR is 108% of comp-set average — strongest pricing in segment.
MPI (Market Penetration)	0.97	Subject captures 97% of fair-share occupancy — slight demand drag.

Bottom line: Pricing premium (ARI 1.08) more than offsets a small occupancy gap (MPI 0.97), driving overall RevPAR premium of ~5% (RGI 1.05). Yield curve indicates room for ADR expansion before MPI compresses further.
